Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 277C2 to Pampa, Texas, as that community's first competing commercial FM station. Pampa is an incorporated city with a population exceeding 17,000 people. Pampa has its own mayor, Lonny Robbins, its own post office, its own school district, its own fire department, its own city hall and a number of local churches.
